**The Only Genuine "SWEEPSTAKES" Threshing Machine.**  
C. Aulman & Co. J. E. Hays & Co.  
Manufacturers, Canton, Ohio. Gen'l Ag'ts, St. Louis, Mo.

The Sweepstakes is the accredited head of the Threshing Machine family, and its SUPERIOR STRENGTH, durability, simplicity, ease of draft, style of finish, and capacity for threshing and cleaning grain fit for market, faster and better than any other, are acknowledged.

The Genuine Sweepstakes enables the thrasher to pick his customers, seldom stops for repairs, last much longer than others, saves much grumoling and vexation, does the same amount of work with less labor, and enables him to select the best and most profitable jobs.

The farmer gives it the preference and often an extra price per bushel, because it threshes clean from the heads, separates perfectly from the straw, cleans for market, without waste, saves the grain, does its work with the utmost speed, safety, and economy, and does not keep a gang of or and teams about it on expense.

A written Warranty delivered with every machine.

The "Sweepstakes" is usually a very scarce article after harvest, and parties should ORDER EARLY.

Separators, Horse Powers, Straw Stackers, Gears or Jacks, sold separate when desired.

Call or send and get a Pamphlet Circular, giving a full description and particulars, together with prices etc., etc.

Correspondence invited from all those who anticipate buying a thrasher or any of its parts.

**BROTHER FARMERS** don't forget that our eastern neighbors are feeding apples to stock with good results, whilst we have only a scanty supply for family use. Also the eastern farmer has their barrels of elder and an abundance of the best apple vinegar, and here either is a rarity with the majority of families. And yet we most all cultivate more land than is profitable and have often an abundance of waste and worn out lands that could be made profitable if set in trees, besides improving the condition of the land.
